SKILLS

Programming/Databases: C,C++, JavaScript,TypeScript, Python, MySQL, MongoDB.

Libraries/Frameworks: React.js,Next.js,Express.js,Tailwind CSS, Framer Motion,Playwright

Others: RESTful APIs, Websocket, Redux ,Node.js,Firebase, Git, Github, Vite, Canva, AWS,Postman

EXPERIENCE

Software Engineer Intern

1st March 2024 - Present

Ridiv Technologies Pvt Ltd. Noida, UP (Remote)

- Implemented and maintained front-end web applications, resulting in a 30% to 50% reduction in page load speeds and conversion rates by utilizing modern web technologies such as React.js and Next.js
- Developed responsive web applications by using figma and tested it with Playwright.
- Tested API endpoints using Postman and integrated it into the frontend application. Deployed applications using AWS (s3 bucket, route 53, cloudfront) and created a CI/CD through AWS codepipeline.
- Leveraged Git and GitHub for version control, while using GitHub Projects to manage tasks; reduced project delivery time by 35% through structured collaboration on Slack with a 6-member team.
- **Libraries/Frameworks/Databases used:** React.js(vite,CRA), Next.js,Docker,Figma,AWS,Postman.

PROJECTS

StellarSites - (Full Stack Web Application using MERN) [Website](#)

[GitHub](#)

- Developed a highly responsive UI using React.js and robust server infrastructure with Express.js; integrated JWT and Google OAuth authentication, streamlining user access and boosting security by 40% (**React.js, Express.js, MongoDB, Node.js, Firebase, Git, Github, Redux**)

TaskTracker (A To-Do Application using React.js) [Website](#)

[GitHub](#)

- A Todo CRUD application featuring advanced functionalities such as task filtering, searching, and drag-and-drop task reordering for enhanced user interaction and experience .

ChatOverTCP - (GUI chat application in Python)

[GitHub](#)

- A threaded server-client communication system using python sockets and added features like banning, kicking and private messaging.

ACHIEVEMENTS

Solved over 200+ problems of DSA on different platforms such as LeetCode, GFG and CodingNinjas.

CERTIFICATIONS

- Received NVIDIA DLI Certificate for Fundamentals of Deep Learning.
- Received AWS Cloud Practitioner Essentials completion.
